IN MEMORIAM

Paul Sherbakoff '50 – of Knoxville, TN, passed away Tuesday afternoon, November 20, at Parkwest Medical Center surrounded by his family. He was a long time member of Bearden United Methodist Church and a loving husband, father, grandfather, and uncle. Paul was born in Knoxville on July 10, 1927, and graduated from Central High School in 1945. After serving in the Navy with operations in the Pacific, he attended the University of Tennessee and joined Sigma Phi Epsilon and played in the "Pride of the Southland" Marching Band. After graduating in 1950, he and Ann were married. He soon became a well known figure on campus and throughout Tennessee as the director of the Student Center and Student Activities. From there, he became a successful hotelier as co-founder of the Sheraton Campus Inn and later as General Manager of the Hyatt Regency Hotel. Throughout his career, he was the unofficial ambassador and host for Knoxville. He welcomed and hosted officials and luminaries, including four Presidents of the United States, various heads of states of foreign nations, and numerous celebrities. He relished the opportunities given him to know

people of all walks of life and from around the globe. He then served the City of Knoxville as Director of the Civic Auditorium and Coliseum from 1990 until he retired in 1997. While at the Hyatt Regency he was instrumental in establishing the University of Tennessee's College of Hotel and Restaurant Management. He was twice president of the Tennessee Hotel and Lodging Association, and in 2003 received its first annual honorary Pauly Award as the outstanding hotelier of the year. The Pauly Awards are named in honor of Paul, a leader for the tourism industry in Knoxville. The annual Pauly Awards are presented to individuals and businesses for their outstanding achievements and commitment to the tourism industry.

Thomas Sentell '57 – Born on November 16, 1935 and attended Young High School before enrolling at UT. He was very active on as an undergraduate and on campus. He was a UT cheerleader and was the Business Manager of the 1957 Volunteer. Upon graduation Tom moved to Brooklyn, New York where he resided until his passing on October 12, 2012.

TN ALPHA INITIATES THIRD GENERATION LEGACY

On Tuesday night, November 20th, the chapter initiated a third generation legacy. **Ryan Weiss '16** is the son of **Rob Weiss '89** and the grandson of **Dick Weiss '63**. To our knowledge, this is the first third generation initiate from a father and grandfather all from Tennessee Alpha. If there are others, please let us know. Both father and grandfather made it to Knoxville to take part in Ryan's initiation. They were also joined by Rob's chapter peers, **Jay Wilson '89**, **Thad Pardue '89**, **Kelly Williams '92**, and **Chris Bollinger '93**. Their participation was a surprise to Ryan

who did not know they would be there. After Ryan's initiation, his grandfather had another surprise as he gave him his pearl fraternity pin. Congratulations to the Weiss family and to Ryan!

TENNESSEE ALPHA ALUMNI CONTINUE TO LEAD AT UT

Several Tennessee Alpha Sig Eps have taken a leadership role in the University of Tennessee Young Alumni Council (UTYAC). The UTYAC is a 40 member board of UT Alumni who have graduated in the past 10 years and meet in the spring and fall every year. Their main purpose is to help extend the university's message to engage other young alumni in UT's post graduate major markets like Nashville, Charlotte, Washington DC, Memphis, Chattanooga, and Atlanta. They serve the

university through outreach, campus relations, events and philanthropy.

2013 CONCLAVE

Mark your calendar for the 53rd Grand Chapter Conclave in Dallas, Texas, from July 31-August 4, 2013 at the Gaylord Texan Resort. Sig Ep's Grand Chapter Conclave is the largest gathering of fraternity brothers in the world. Over 1,400 brothers and guests descend on one resort for five action-packed days every other summer. Nobody forgets their first Conclave, and there's a reason brothers keep coming back for more.

Imagine spending a long weekend at a beautiful resort – and every inch of it is filled with Sig Eps. From the golf course and the pool to the restaurants and bars, Sig Eps take over the town during this unforgettable event. Conclave provides a great opportunity to catch up with old friends, and make plenty of new ones from across the country.

The Alumni Awards Dinner features the presentation of Sig Ep's two highest individual honors: the Order of the Golden Heart and the SigEp Citation. SigEp confers the Order of the Golden Heart medallion upon men who have dedicated a lifetime of service to the Fraternity. Each of these brothers is called to the stage to share a memory or some words of wisdom, often before the shock of hearing

their name called has worn off. Three Tennessee Alpha brothers have received the Order of the Golden Heart, the most recent being **Burl Rainwater '58** in 1989.

Sig Ep presents the Citation to brothers who have reached the pinnacle of their career field. These brothers are announced in advance and invited to speak about their experiences. Past recipients have excelled in varied occupations from astronauts and educators to Hollywood movie stars and professional athletes. Seven Tennessee Alpha Sig Eps have received the Citation, the most recent being **Jim Clayton '56** in 1987.

Conclave is also the time for the undergraduate delegation to vote on new bylaws that govern the Fraternity. The delegation also elects the men who will lead the Fraternity in the two-year span between Conclaves.

Whether you choose to attend the educational seminars and legislative sessions, or just stay by the golf course and the lazy river all day, Conclave truly has something for everyone. You'll be planning the trip to your second Conclave even before you get home from your first.

TENNESSEE ALPHA BROTHER TO COMPETE IN THE WORLD GAMES

Rob Daniel '92 has been named to the USA National Sumo Team and will be one of two athletes representing North America in the World Games in July. Founded in 1981, the International World Games Association (IWGA) is a non-governmental and non-profit-making international organization constituted under Swiss law. Made up of International Sports Federations, it administers a quadrennial and multidisciplinary sports event, The World Games,

which aspires to equal and exceed the importance of world championships organized by each federation individually. For a sport to be included in the World Games, it cannot currently be on the program for the Games of the Olympiad. Rob has also taught Sumo, Mixed Marshal Arts, and Jiu Jitsu clinics to the TN Beta Sig Ep chapter the past two years. Rob looks forward to seeing everyone at the Centennial Celebration in April.

This will not be a typical Founder's Day weekend and you do not want to miss it. Over 400 people attended the 75th anniversary in 1988 and over 600 are expected next April as we celebrate 100 years of Tennessee Alpha. Send in your reservation forms today!

SPECIAL HOTEL ACCOMMODATIONS FOR THE CENTENNIAL CELEBRATION

Room blocks have been made available at the Knoxville Marriott for a special rate of \$99 per night. You will also receive free parking and complimentary internet service. We have arranged for an air-conditioned coach bus to provide transportation from the Marriott to the Hall of Fame Dinner, the Renaissance of Brotherhood, the Spouse/Guest Program, the Brunch, and the Centennial Celebration Dinner. Those staying in the Marriott need only walk to the pick-up area and they will be transported in style to and from the various events.

A team of professional photographers will be at the various events throughout the weekend and photographs will be available for purchase on their website following the event. There will also be a photo staging area available on Saturday night at the reception for couple or group photos. Information on how to order photos will be made available.

ANDY STALLING '66 AND JIM RITTS '66 TO HOST CENTENNIAL HALL OF FAME DINNER

Jim and Deidrie Ritts and Andy and Emily Stallings will honor the Tennessee Alpha Hall of Famers, their ladies and guests during the 2013 Centennial Celebration Weekend with a black tie (optional) dinner on Thursday evening at The Club LeConte in downtown Knoxville.

Our brothers are continuing a tradition started by Brother Jim Clayton who first hosted during the 1989 weekend. Since then, many brothers have continued the tradition and we appreciate their generosity. The Hall of Fame dinner is an opportunity for those who have demonstrated their support of Tennessee Alpha to gather for an evening of fellowship while raising much needed funds for the fraternity. Individual invitations have been mailed to honorees.

BRYCE GIESLER RECEIVES NATIONAL HONOR

At the recent Carlson Leadership Academy (CLA) in Dallas, brother **Bryce Giesler '78** received the Distinguished Alumnus Award from Headquarters. This award recognizes devoted and productive service to Sigma Phi Epsilon at the chapter, district, regional or national level. Since the award's inception in 1978, less than one percent of alumni have been recognized with this honor. A pewter Jefferson Cup is presented to each Distinguished Alumnus at the Carlson Leadership Academies in February.

Bryce is the fifth Tennessee Alpha alumnus to be so honored. Past recipients include **Earl Rainwater '58** (awarded in 1978), **Burl Rainwater '58** (1980), **Craig Diller '75** (1993) and **Kelly Williams '92** (2003). Bryce is very active in alumni communications at the national level and is a frequent instructor at CLA's in addition to being in the Tennessee Alpha Hall of Fame. Congratulations Bryce!

You don't want to miss this rare opportunity to see one of the legends of the collegiate scene. Nuts...Hot Nuts...You get them from the peanut man!

CENTENNIAL CELEBRATION DINNER TO BE FIRST CLASS EVENT

The Centennial Celebration Dinner will begin with a reception at 5:30 and then dinner at 7:00 at the Knoxville Convention Center. This is the big event of the weekend and one you don't want to miss. TENNESSEE ALPHA WELCOMES NEW FACULTY ADVISOR

Keith Becklin (Western Michigan '06) has been appointed as the new Faculty Advisor for the chapter. Keith is from the Michigan Beta Chapter and was the Greek Life Advisor at TCU before coming to UT this year. Keith is the Assistant Director of Student Activities and is in charge of ACE events as well as other programming. Many of you may have met Keith at the Fall Get Together this year. He is pictured at right running in a 5k race recently.

As part of his role, he will work with the chapter on improving academics and has already started making an impact with new programming ideas for new members as well as members not performing to their desired level. We welcome Keith to Knoxville and Tennessee Alpha!

2013 PLANNING RETREAT

Sig Eps, spouses, and guests gathered for the annual planning retreat in Townsend at the foothills of the Great Smokey Mountains. The weekend was a great mix of business and socializing. On Friday evening, those who arrived early enjoyed a casual dinner at the cottage of the Talley Ho with the active chapter officers. It was a great evening of brotherhood.

Business was the order of the day on Saturday morning as we reviewed and solicited input of alumni programming including alumni events and the Spiel. Housing and the Scholarship Foundation were also discussed and goals set for the upcoming year. Plans were also discussed for TN Alpha's 100th Anniversary Celebration coming up in

April. Active chapter officers attended the morning session and gave an update on the active chapter. After a morning of work, everyone enjoyed a casual lunch at the Back Porch restaurant. After wrapping up a few details, the afternoon was free for rest and socializing. Following happy hour, the group had a nice dinner at the cottage. After dinner, everyone enjoyed a nice evening of brotherhood.

Thanks to all the Sig Eps and spouses who attended the annual planning retreat. What a great weekend of fun, business, and brotherhood. If you've never attended a planning retreat, we would like your input. Everyone please plan to join us next February for another great Sig Ep event. Watch the Spiel for more details.

VOLUNTARY ALUMNI DUES

Tennessee Alpha's alumni program and SPIEL publication are made possible through the generous support of alums and friends like you. Each year Sig Ep alums are requested to voluntarily contribute to the Tennessee Alpha Alumni Association through the Voluntary Alumni Dues (VAD) program.

Items financed by the VAD include:

- Publishing the SPIEL
- Planning alumni events
- Maintaining address files
- Alumni promotions
- Supplies and postage
- Chapter archives and photos

Over each of the past sixteen years, more than 400 alums consistently responded to this request with the largest number (448) contributing in 2001. In 2011, 342 alums responded. Although Tennessee Alpha alums consistently reach a forty percent and higher response to the voluntary dues request, the Alumni Association has long held a response goal of fifty percent. Serving as the VAD Chairman for 2012 is **Brian Shugart '94** of Knoxville. You may contact Brian at: bshugart@knology.net.

Tennessee Alpha's current mailing list includes over twelve hundred alums. An estimated 100-150 alumni addresses are believed to be parents' or business addresses, which may or may not mean their mail is actually received. You can help in our effort to keep our alumni database current by locating "lost" brothers and submitting address changes to the Alumni Association Secretary, **Rob Carroll '68**.

Voluntary Alumni Dues Honor Roll recognizes annual support. Each contributing alum is recognized year-to-date in each SPIEL through the Honor Roll. It recognizes all contributions. Forty dollars (\$40) is the suggested amount. However, any contribution is appreciated. Checks may be payable to: SPE Alumni.

A special thanks is extended to those alums who have made the SPIEL and other alumni activities possible and continue to prove that Sigma Phi Epsilon is a "lifetime experience."

ATTENTION BROTHERS!

You will no longer receive separate Alumni Dues mailings. You have two options of payment going forward:

- 1) **MAIL YOUR PAYMENT USING THIS ATTACHED ENVELOPE.**
- 2) **PAY ONLINE.**

These new options are for your convenience and will allow the Alumni Association to cut costs and use our operating budget more wisely.

THANKS FOR YOUR COOPERATION!

THE HISTORY OF TENNESSEE ALPHA

HARVEY ROBINSON – TENNESSEE ALPHA 1932 “GENTLEMAN OF THE OLD SCHOOL”

Harvey Leigh Robinson was born on March 23, 1908, in Jupiter, North Carolina. He attended grade school and high school in Weaverville, North Carolina.

Although he did not play high school football, he won a halfback spot on the Weaverville Junior College team in 1927. By 1928 he was captain of the team and an All-State performer, weighing only 140 pounds. His teams won the North Carolina Junior College championship both years and Robinson scored 150 points or more each season. He then followed his older brother, George, to the University of North Carolina. Chuck Collins, the Notre Dame-trained coach, recast him as a guard. Harvey resigned three weeks later and enrolled at the University of Tennessee and joined Sigma Phi Epsilon.

In the Neyland system, Robinson was assigned to play halfback, but he did not play a lot inasmuch as two All-American halfbacks, Gene McEver and Beattie Feathers, were there at the time. Robinson did, however, return punts and played quarterback for the Vols. He felt the opportunity to learn fundamental football under coach Robert R. Neyland was the major benefit of his college career.

The highlight of his years at UT came during the famous battle in the rain with Alabama on October 15, 1932. In the last quarter the Crimson Tide was leading 3-0 when Feathers kicked a soggy ball 70 yards to the Alabama 13. Alabama's John Cain punted 46 yards on the first down and Robinson ran the kick back 15 yards to the Tide 45. On the muddy field, three plays gained five yards then Feathers punted the ball dead on the Alabama 1-yard line. Van Rayburn blocked Cain's punt and Feathers scored the only touchdown of the game on third down. The Volunteers won 7-3 in this classic kicking duel. Robinson's timely run had changed field position in Tennessee's favor at a crucial point in the game. Tennessee finished the season with a 32-13 win over Florida and a 9-0-1 record.

Years later, when Harry (Hobo) Thayer was asked if he recalled Robinson's days as a player, he candidly replied, "Sure, everybody

remembered Robinson. You know the gang we had. Dodd was a clown. McEver never took anything seriously. Buddy Hackman was in a fog half the time. Robinson was the quiet one. He was always listening when the coaches talked. Good passer too. No horseplay for Robinson. I think he'd already made up his mind to become a coach."

Upon graduation Robinson entered an advanced degree program at the University of Michigan, earning a Master's degree in 1933. He then coached at Ducktown, Tennessee for two years (1933-1935) and began a seven-year stint at Knoxville Central High School (1935-1941) where he amassed an amazing 56-5-5 record, winning six state titles in only seven years.

Robinson returned to Tennessee as an assistance coach under General Neyland coaching freshmen and the backfield from 1946 until he was named head coach in 1953. Those teams had a 54-17-1 record including two National Championship teams in 1950 and 1951. Perhaps Robinson's greatest achievement at Tennessee was recruiting, developing, and coaching a 155-pound freshman from Huntland, Tennessee named Johnny Majors. Under Robinson's tutelage, Majors would go on to become an All-American and Heisman Trophy runner-up.

When General Neyland resigned because of his health in 1953, only one season after he had led the Vols to a national championship, Robinson was chosen to succeed the legendary head coach. It has often been said that one doesn't want to be "the man that follows The Man, but rather, the man who follows the man who follows The Man!" and in this case, it was true. Robinson also had to deal with a change from two-platoon football system back to one-platoon due to war time manpower shortages. The great players of '51 and '52 were gone, either to the pros or to the military service thus, with limited talent, Robinson had the task of teaching a second position to many who were barely experienced enough to play on one side of the football. Teaching young players to play offense and defense, most of whom had never played both ways previously, was quite a challenge. Robinson's two-year stint ended in a 5-5-1 record.

HISTORY OF TENNESSEE ALPHA

Even though Robinson had recruited and developed a great deal of talent and his teams showed much promise for the future, the Tennessee faithful had been spoiled by success. Neyland, now the athletic director, was forced to replace him with a former Vol All-American end, Bowden Wyatt. Always the gentleman, Robinson never spoke bitterly of the two-year experience. He was always proud that he left the team with a wealth of young talent that he and his staff had recruited and developed. Only two years after his departure, the 1956 team, led by Majors went 10-0-0 and captured the Southeastern Conference championship. Years later, Coach Majors summed up those two years under Coach Robinson, "The General (Neyland) had just retired and Harvey Robinson was the coach. He was a great man, a good, smart coach, but he was caught waiting for us to develop. He didn't have a lot of great material my freshman and sophomore years because we were just learning."

Robinson headed to Florida to assist Bob Woodruff and six years later, in 1960, returned as a Vol assistant to Bowden Wyatt, the man who had succeeded him. Two years later he took a scouting job with the Dallas Cowboys and was assigned to assess prospective professional football players all over the Southeast. His base was in Knoxville, but the position placed him in a close relationship with another football legend, head coach Tom Landry.

The scholarly Harvey Robinson, referred to as a "gentleman of the old school," underwent surgery twice for cancer late in his life, but returned to an active life after his convalescence each time. He retired from his scouting position with Dallas in 1976 and passed away on April 25, 1979, at Fort Sanders Hospital, at age 71. A member of the Second Presbyterian Church, he is interred in Greenwood Cemetery. Coach Robinson devoted almost his entire adult life to football. His hobbies included fishing and bridge and he was an accomplished classical pianist. However, most of his time was spent in studying, coaching or talking football. By both precept and example he made a positive difference in the lives of his teammates and players. His memory and contributions to Tennessee Football are honored still today as the most improved offensive player on the Tennessee squad each spring wins The Harvey Robinson Award.

TENNESSEE ALPHA SCHOLARSHIP FOUNDATION OVER 30 YEARS OF IMPACTING SIG EPS

Since its inception, the Tennessee Alpha S.P.E. Scholarship Foundation has awarded almost \$800,000 in scholarships to over 360 deserving undergraduates at The University of Tennessee. The Foundation now awards in excess of \$40,000 per year in scholarships annually to deserving Sig Eps from the Tennessee Alpha Chapter.

In addition to the scholarships for undergraduate members, the Foundation provides \$5,000 per year to help fund the Balanced Man Scholarship Program.
